IJGlobal is delighted to today announce the shortlists for the IJInvestor Awards Americas 2023, identifying those organisations that are in the running for the top prize at the New York event.

Although in its fifth year, this is the first time IJInvestor will celebrate the Americas at its own event after receiving a record number of submissions. The shortlist for the awards for the rest of the world can be seen [here](#).

These awards celebrate infra fund and M&A activity in energy and infrastructure, reflecting activity from 1 April 2022 to 31 August 2023. For this year only (a transition year) the awards are open to developments over 17 months.

The Americas investor submissions were reviewed earlier in October by [an independent panel of judges](#).

The shortlists (all in alphabetical order) are as follows:

IJInvestor Equity Fund Manager of the Year:

- Ardian
