We are delighted today to publish the shortlist for the Company section of the IJGlobal Awards 2024 for the Middle East and North Africa, identifying the organisations that the independent panel of judges shortlisted... with the big reveal on the night in Dubai.

The MENA awards are being hosted in the UAE – venue to be confirmed shortly – on Wednesday 30 April. For more information, go to the site for [IJGlobal Awards 2024](#).

As with all IJ awards, we take great pride in their peer-review nature, judged by an independent pane of industry experts that has the final say on all company winners. To read about the judges, [click here...](#)
