The IJGlobal Awards for APAC were hosted last evening in Singapore to celebrate excellence in infrastructure finance and refinancing activity across the 2024 calendar year – and here we publish all the winners.

The full stories covering the Transaction Winners and Company Awards have been published separately.

This piece offers a helicopter view of all the awards announced at the event – held at the iconic Raffles Place Hotel – bringing together standout deals and institutions that made a mark over the judging period.

IJGlobal was delighted to host the event, recognising transactions that reached financial close between 1 January and 31 December 2024, along with the organisations that have shaped the region's infrastructure landscape.

The Company Awards were shortlisted and voted on by [an independent panel](#) of senior industry professionals, with recusals in cases of conflict.
