Fresh off the stage from having presented the IJGlobal ESG Awards 2025, we are delighted now to be publishing the global transaction winners – excluding Asia Pacific – many of which were presented this evening.

The London event – staged today in the Sheraton Grand Hotel London on Park Lane – focused on winners from across the EMEA region and the Americas. The APAC awards will be presented in Singapore on 19 November.

This story focuses deal winners, celebrating achievements achieved by transactions that closed during the judging period and that drive the ESG agenda across the infrastructure and energy asset classes.
