

IJGlobal ESG Report 2022

Angus Leslie Melville

30/09/2022

We are delighted today (30 September) to be publishing the second issue of the IJGlobal ESG Report, delving into environmental, social and governance issues as they impact the international infrastructure and energy community.

This year's report has 4 sponsors:

- Allen & Overy
- Arup
- DLA Piper
- Vauban Infrastructure Partners

Included in this latest issue is a swathe of features by industry experts as well as a number of pieces crafted by the *IJGlobal* editorial team.

The report includes features by each of the sponsors as well as a number of pieces generated by the *IJGlobal* editorial team.

It includes a review of recent hires across the global recruitment market; a feature on Quinbrook Infrastructure Partners and its deployment of technology in the pursuit of improved ESG standing; a focus on how next-gen investment tech can unlock clean energy performance by Benjamin Cohen, founder and chief executive of T-REX; a case study on Ancala's involvement in Iceland's HS Orka; and a case study on InfraVia Capital Partners' acquisition of a 70% stake in Dutch energy-from-waste recycling company Blue Phoenix Group
